PARTY LARGE FLOATING COOLER WITH CUPHOLDERS

2K TOWABLE ROPE LENGTH 60 Feet (18.3 meter) (11-3000)

This 2K towable rope is custom made to tow any tube up to 1-2 riders. This 2K rope also struts a floating foam rope buoy so rope is easy to locate in the water.

- 2375 Pound (1.08 Mg) Break Strength
- Manufactured with Minimum Stretch Design
- Heavy-Duty 3/8 Inch 12 Strand Rope Construction
- Floating Foam Buoy

4K TOWABLE ROPE LENGTH 60 Feet (18.3 meter) (11-3010)

This 4K towable rope is custom made to tow any tube up to 4 riders. This 4K rope also struts a floating foam rope buoy so rope is easy to locate in the water.

- 4100 Pound (1.86 Mg) Break Strength
- Manufactured with Minimum Stretch Design
- Heavy-Duty 5/8 Inch 16 Strand Rope Construction
- Floating Foam Buoy

6K TOWABLE ROPE LENGTH 60 Feet (18.3 meter) (11-3020)

This 6K towable rope is custom made to tow any tube up to 6 riders. This 6K rope also struts a floating foam rope buoy so rope is easy to locate in the water.

- 6100 Pound (2.77 Mg) Break Strength
- Manufactured with Minimum Stretch Design
- Heavy-Duty 3/4 Inch 16 Strand Rope Construction
- Floating Foam Buoy

4K Y-CONNECT (11-3030)

This Y Connector with provides a central tow attachment point behind your boat. Simply attach to your boat and then your towable and your off and riding.

- Manufactured with Minimum Stretch Design
- EZ Aluminum Connector for quick hook up
- Heavy-Duty Construction
- Floating Foam Buoy

11 INCH 4K EZ TOW ALUMINUM CONNECTOR (11-3040)

This 4K EZ Tow Connector makes it easy to attach and detach tow ropes to any towable. Simply attach the connector to the towable's tow strap instead of having to thread a long 60 foot rope through the strap.

- 4100 Pound (1.86 Mg) Break Strength
- 11 INCH Length rope with EZ Aluminum Connector
- Manufactured with Minimum Stretch Design
- Heavy-Duty Construction

FOOT PUMP (11-4030)

This No-fuss foot pump uses high-volume bellows action to inflate or deflate towables, boats, airbeds and other inflatables. Durable heavy-duty construction with 3 universal adapters that fits all types of valves. You don't have to have a power source to experience convenience when you need on the spot inflation.

- Low-Pressure, High-Volume Step Down Action
- Inflates and Deflates with Long Flexible Hose
- Foot Pump is Suitable for Small to Medium-Size Inflatables
- Features Inflation and a Deflation Port
- Universal Nozzles Adapt to All Types of Valves.
- Collapses for Easy Storage
- Flexible Corrugated Hose

DOUBLE ACTION HAND PUMP (11-4000)

This heavy-duty molded plastic pump is designed to inflate/deflate any size inflatable's with less effort due to its continuous stream of air with both up and down strokes. This Double Action Hand Pump can also be used as a handy bilge or deflator.

- 2.0 Liters Per Stroke Air Output
- Features Inflate and Deflate and Bilge Capabilities
- Inflates/Deflates Inflatables Big or Small
- Universal Nozzles Adapt to All Types of Valves.
- Flexible Corrugated Hose
- Comfortable Contour Handle
- Small Size for Easy Storage

3.0 PSI PUMP (11-4020)

This 110-volt pump is great for large water toys when you want to inflate and deflate with super speed convenience. Comes with assortment of locking nozzles to adapt to ones needs and has a high volume, low pressure output.

- High Volume Low Pressure Output
- Folding Carry Handle for Easy Portability
- Inflates/Deflates Inflatables Big or Small
- Universal Nozzles Adapt to All Types of Valves.
- Large Flexible Corrugated Hose
- 10ft Heavy-Duty Cord
- 120v AC Grounded Plug

2.5 PSI PUMP (11-4010)

This 110-volt will inflate and deflate any inflatables with the speed and convenience you are looking for. Comes with assortment of locking nozzles to adapt to ones needs and has a high volume, low pressure output.

- High Volume Low Pressure Output
- Folding Carry Handle for Easy Portability
- Inflates/Deflates Inflatables Big or Small
- Universal Nozzles Adapt to All Types of Valves.
- Heavy-Duty Hose Connections Locks
- 6ft Heavy-Duty Cord
- 120v AC Grounded Plug

12V HIGH PRESSURE AIR PUMP (11-4040)

This pump comes with a pressure release valve that produces 3 times the air pressure as other 12V pumps on the market. Universal nozzles adapt to all types of valves, plus a pressure release valve limits the output to 1.4 psi to achieve the correct inflation levels for towables and pool toys. The EZ CLIPS allows you to hook up to your car, truck, or boat battery for on the spot inflation.

- Inflates/Deflates Inflatables Big or Small
- Universal Nozzles Adapt to All Types of Valves.
- Pressure Release Valve for High Pressure Output
- EZ CLIPS with 10ft Heavy-Duty Power Cord to Hook Up to Your Car or Truck or Boat Battery for on the Spot Inflation
- Draws 28 amps/340 Watts
- Volume is 410 liters/min Max Pressure 2.5 psi
